SS. Cyril & Methodius Religious Education Endowment Fund

SS. Cyril & Methodius Catholic Church has always valued education as a tool to foster one's growth in knowledge, faith and prosperity. Founded on December 31, 1985, with a personal donation of \$10,000, the church established the Religious Education Endowment Fund to provide financial independence to the education mission of the parish. The parish sponsors numerous religious programs, including a parochial school with grades PreK-3 to 12, CCD classes for students who do not attend Shiner Catholic School, spiritual retreats for youth and adults, diocesan and national youth conventions and local theology classes for young and mature adults. Additionally, the fund supports the parish educational ministries aimed at addressing the spiritual needs of young families, the elderly, the widowed, the sick, the homebound, and many others.

In 2005, the Legacy Endowment Gala was initiated to provide support for the Endowment Fund. It has grown tremendously throughout the years and has been utilized to fund various projects of the religious education mission. The Gala has become a major fundraiser for the Endowment Fund and its goal is to continue to build principal to solidify the future of the educational mission of the parish.

Sponsorships

Priority is given to our sponsors by allowing them to purchase tickets before the general public. The levels of sponsorships available are: Platinum, Diamond, Gold, Emerald, Silver, and Personal.

All-Inclusive Tickets

These tickets will provide admission for one person to the cocktail hour, dinner, auction and dance, featuring Southpaw Band. Please see the registration form for more details. Please register early as this is generally a sell-out event. *Ticket sales will end February 7, 2022.*
